Teachers' Bumpy Moments in SUCTEA RIII

DHVTSU College of Education faculty and students take part in the 2nd Regional Assembly of the State Universities and Colleges Teacher Educators Association (SUCTEA) held on August 27, 2012 at the Tarlac State University with the theme "Revitalizing the K-12 Program".

Mrs. Soriano and Mr. Razon together with the SUCTEA III- President, receive their certificate and recognize as the "Best Presenter".

The COE-Research team with an exemplary presentation on the **"Typology of Teachers' Bumpy Moments: A Coherent View of Teachers on Selected Public and Private Universities"** was recognized as the assembly's best paper while Rico Martin L. Razon was chosen best presenter among different SUC's faculty and stu-

dent researchers in the region.

The research project was a collaborative effort of COE faculty and selected students namely Rico Martin L. Razon (BSED-2C), Carlo L. Miguel (BSED-2C), Nickole M. (BSED-3A), Johara Gamal A. Eltaib (BSED-4A), Angielyn P. Gadia (BSED-4C), and Mrs. Dynah D. Soriano being the consultant.

RDSO conducts Colloquium on Research Writing and Format for DHVTSU Faculty Researches

Aimed at generating high quality research and development outputs by the industrial and educational sectors, RDSO conducts a colloquium on Research Writing and Format for the faculty of Mexico Campus on December 05, 2011 and

College of Education- Research Team for SUCTEA-III

Regional Assembly

COE research representatives lead-
ed by Dr. Riza B. Lintag meets last July
10, 2012 to conceptualize and plan the
research project for the SUCTEAIII-
Regional Research Presentation to be in
held at Tarlac State University (TSU) on
August 17, 2012. The research project
was a joint effort of COE faculty and
selected students namely Rico Martin L.
Razon (BSED-2C), Carlo L. Miguel
(BSED-2C), Nickole M. (BSED-3A),
Johara Gamal A. Eltaib (BSED-
4A), Angielyn P. Gadia (BSED-4C), and
Mrs. Dynah D. Soriano being the con-
sultant. The team decided to conduct a
journal type study on classroom man-
agement with a research title of
“**Typology of Teachers’ Bumpy Mo-
ments: A Coherent View of Teachers
on Selected Public and Private Uni-
versities**”.

for the College of Education on Febru-
ary 07, 2012, respectively.

The said activity was held
pertinent to DHVTSU’s mandate to
provide leadership in R & D to support
its primary mission to offer higher and
advance technical, technological, busi-
ness, professional education and train-
ing.

Consultation Meeting held

Consultation Meeting of the College Research and Development Unit (CRDU) to faculty and students of the College of Education was held last July 29, 2012 (Monday), 2:00-4:00 p.m. at the DHVTSU Assessment Center Office.

During the meeting, the College of Education research agenda was presented updated. Issues, topic, and problems to be prioritized in the research

projects were also discussed.

As agreed by the University Research and Development Council, the Research Manual of the RDSO should also be the Institutional Research Manual.

It was further disclosed during the meeting that only those completed researches of both faculty and students will be included in the COE Research Journal.

Dynah Soriano, COE Research Coordinator, spearheaded the consultative meeting of the College Research Development Unit.

In preparation for the celebration of the RDSO Research month on November, the 2nd Students Local In-House Review for the College of Education was scheduled last September 18, 2012. Dean Alegria C. Rivera serves as the Chairman of the panel together with Dr. Teresita Mendoza and Mr. Plato Mercado. The following study was presented:

1. Factors Affecting Computer Literacy Level of BEED Students at DHVTSU.
2. Typology of Teachers' Bumpy Moments: A Coherent View of Teachers on Selected Public and Private Universities

2nd Students Local In-House Review

3. The Numeracy Program of the College of Education Extension Unit at DHVTSU
4. A Proposed Curriculum for the Certificate in Physical Education Program: Analysis
5. The Implementation of the K to 12 Program among Pre-schools at Lubao East District
6. Levels of Compression of the Second Year Bachelor in Secondary Education Students in the Critiquing of Short Stories
7. Selected Factors Affecting the Problem Solving Skills of the Fourth Year Students of the Laboratory High School at DHVTSU
8. The Learning Styles of the Students with Hearing Impairment of the 7th Grade of F.G. Nepomuceno Memorial High School.
